

A RALLY MADE IN ANDALUCÍA

Dear friends,

The Andalucía Rally is getting ready... We have just carried out the first reconnaissance onsite

The rally will be well redesigned with new tracks that will offer you a **pleasant and enjoyable driving along the 1,200 km of programmed specials.**

This kind of "Baja" rally is the first rally, after the Dakar aiming to be **accessible, friendly and in line with Andalusian values.**

We will receive you inside a typical hacienda near the town of Villamartín. The private and isolated country house **will help us**, once again, **to deal with the sanitary situation**, however we will have to strictly respect the set-in place Covid plan.

Registration is now open.

Keep in mind the dates: from May 12th to 16th, we'll wait for you!
